

CURRICULUM VITAE
NATHAN DAVID ZASLER, MD,
FAAPM&R, FACRM, FIAIME, DAIPM, CBIST

DATE OF BIRTH:

September 1, 1958

PLACE OF BIRTH:

Los Angeles, California

OFFICE ADDRESS:

Concussion Care Centre of Virginia
3721 Westerre Parkway, Suite B
Richmond, Virginia 23233.
Tel: (804) 270-5484;
Fax: (804) 346-1956

PERSONAL DATA:

- Marital status – married (Lisa Murad Zasler)
- Children – Aaron, Anya, Maia, Maytal
- Languages spoken - English and Spanish

EDUCATION:

- High School Diploma, 1976, Beverly Hills High School, Beverly Hills, California
- B.S. in Psychobiology, 1980, University of California, Los Angeles, California
- M.D. degree, 1985. University of the Health Sciences, The Chicago Medical School, North Chicago, Illinois)(First 2 years at UAG, Guadalajara, Jalisco, Mexico)

PROFESSIONAL TRAINING:

- Rotating Internship, Medical College of Virginia, July 1985 - July 1986
- Physical Medicine and Rehabilitation Residency, Medical College of Virginia, July 1986 - June 1989

- Chief Resident, Brain Injury Rehabilitation Services, Department of Rehabilitation Medicine, Medical College of Virginia, July 1988 - July 1989
- Fellowship, Brain Injury Rehabilitation, Department of PM&R, Medical College of Virginia, July 1989 - July 1990

LICENSURES:

- Virginia State License, Virginia State Board of Medicine, June 1989 – Present . License number: 0101044265. Expires: 9/30/18.

CERTIFICATIONS:

- Board Certified, American Board of Independent Medical Examiners, March 1996 - 2005.
- International Academy of Independent Medical Evaluators (Formerly: American Academy of Disability Evaluating Physicians), 1994 - present.
- Board Certified, Physical Medicine and Rehabilitation, May 1990 - present. No recertification required.
- Diplomate Certification in Education, American Board of Sexology, 1989 - present.
- Diplomate of the National Board of Medical Examiners, July 1986.
- American Academy for the Certification of Brain Injury Specialists, 1998 - present.
- NCS Training Course on the MMPI-2, University of Minnesota, 1998
- Certified Brain Injury Trainer, AACBIS, 1998-Present
- Certified – Non-violent Crisis Intervention Training. 1999.

- Diplomate, Academy of Integrative Pain Management. Formerly, American Academy of Pain Management, 1998-Present.
- Fellow, American Academy of Experts in Traumatic Stress. 1999-2004.
- Fellow, American Congress of Rehabilitation Medicine. 2016 – present.

ACADEMIC APPOINTMENTS:

- Assistant Professor, Department of Rehabilitation Medicine, Medical College of Virginia, Richmond, VA; July 1989 - May 1992.
- Adjunct Faculty, School of Dentistry, Division of Dental Hygiene Extramural Program; Medical College of Virginia. July 1989 - May 1992.
- Associate Professor, visiting, University of Virginia, Dept. of Physical Medicine and Rehabilitation, May 2002 - present.
- Professor, Affiliate Faculty, Virginia Commonwealth University, Department of PM&R, October 2004 – present.

FELLOWSHIP

SUPERVISION/TUTORIALS:

- Grace Su-Ching Lee, M.D. - January 1991 - June 1991
- Mitchell Goldbaum, M.D. - July 1991 - May 1992
- Andrea Labord, M.D. - August 1992

HOSPITAL PRIVILEGES:

- Sheltering Arms Rehabilitation Hospital, Richmond, Virginia
- Virginia Commonwealth University Hospitals, Richmond, Virginia

ADMINISTRATIVE APPOINTMENTS:

- Resident Representative, Research Committee, Department of Physical

Medicine and Rehabilitation, Medical College of Virginia, June 1987 - June 1989

- Faculty Member, Sexual Function Center, Department of Psychiatry, Medical College of Virginia, July 1989 - May 1992
- Member, Educational Committee, Department of Physical Medicine and Rehabilitation, Medical College of Virginia, July 1989 - May 1992
- Member, Research Committee, Department of Physical Medicine and Rehabilitation, Medical College of Virginia, July 1989 - May 1992
- Member, Neurobehavioral Consultation Team, Department of Psychiatry, Medical College of Virginia. June 1990 - May 1992
- Chairperson, Faculty Search Committee, Department of Rehabilitation Medicine, Medical College of Virginia. June 1990
- Chairman, Marketing Committee, Department of Physical Medicine and Rehabilitation. Medical College of Virginia. October 1991 - May 1992

AWARDS AND HONORS:

- Grant from the American Paraplegia Association to attend annual conference 1986, 1987, 1988, 1989, 1992, and 1993.
- Young Investigator Award for Excellence in Research, National Head Injury Foundation, December 1989.
- Clinical Service Award. Continuing Medical Education, Medical College of Virginia. Presented at the 16th Annual Williamsburg Conference. June 1992.
- 2nd Place, NHIF, Scientific Poster Presentation, Session 1, December 1992.
- 2nd Place, NHIF, Scientific Poster Presentation, Session 2, December 1992.

- 1st Place, NHIF, Research Poster Presentations, 12th Annual Symposium, November. 1993.
- Papal audience with Pope John Paul II. March, 2004.
- John Streff Award. NORA. 2004.
- Kevin Karr Innovative Rehabilitation Procedure or System Award. International Association of Rehabilitation Professionals (IARP). 2004.
- Advancement of Neuro-Optometric Rehabilitation Award. NORA. 2007.
- Weinstock Award. Virginia Brain Injury Association. 2008.
- Best Doctors, Inc., 2009 – present.
- Sheldon Berrol MD Clinical Service Award, For Outstanding Contribution to Improving Clinical Services in Brain Injury. Brain Injury Association of America. 2011.
- Extraordinary Service Award. Southern Society of PM&R. 2011.
- Patient Choice Award, Vitals, 2013
- Compassionate Doctor Recognition, 2013.
- Vitals Top 10 Doctor. 2014.
- Fellow, American Congress of Rehabilitation Medicine, 2016

GRANTS:

- Research grant from Synergist, Ltd. to study the Synergist Erection Assistance Device, 1987, Funding - \$35,000
- Principal Investigator. Ph.D. Program in Rehabilitation Research. Rehabilitation Research and Training Center. Award #G0087C2006-88, Funding 10/86-10/90. NIDRR, U.S. Department of Education. \$345,000 Renewable
- Co-Director, Coma Project, Rehabilitation Research and Training Center, Award #H133B80029, Funding 4/1/88 - 3/31/89. NIDRR, U.S. Department of Education, 3.25 million (5 years)
- Co-Director, A comprehensive model of Research and

Rehabilitation for the Traumatically Brain Injured. U.S. Department of Education, #G0086C0219; \$1,500,000, 1987 (5 years)

- Investigator, Neuromedical Educational and Research Project, MCV-IBM Cognitive Remediation Project. Jeffrey Kreutzer, Ph.D., Principal Investigator. 3/1/90 - 5/26/92, 1.5 million
- Principal Investigator, Rehabilitation Research and Training Center, 7/90 - 5/92. Award #H133B80029, Funding 4/1/88-3/31/89. NIDRR, U.S. Department of Education, 3.25 million
- Key Faculty Member, Traumatic Brain Injury Psychiatric Fellowship, MCV Department of Psychiatry, Innovative Grant, Principal Investigator, Gregory J. O'Shanick, M.D. Grant #84133. \$49,998.00, 1 year
- Project Director, National Invitational Meeting on Medical Rehabilitation Research, Award #H13B80029 (Supplemental Grant), 7/90-1/91. NIDRR, U.S. Department of Education, \$99,686
- Director, NIDRR Rehabilitation Research Training Grant. 9/1/92 - 8/31/97. Awarded February 1992 - departed MCV 5/26/92. U.S. Department of Education, #H133P20026. \$150,000/year - 5 years

SPEAKER BUREAU APPOINTMENTS:

- Ciba-Geigy Pharmaceuticals: 1991 – 1997.
- Medi+Physics, Inc.: 1992 – 1996.
- Allergan, 2000 - 2007.
- Wyeth-Ayerst, 2000 - 2007.

MEMBERSHIP IN SCIENTIFIC, HONORARY AND PROFESSIONAL SOCIETIES:

- American Academy of Disability Evaluating Physicians, 1994 - present
- American Academy of Physical Medicine and Rehabilitation, 1986 - present
- American Association of Orthopedic Medicine, 1995 - 2000
- American Board of Independent Medical Examiners, 1996 - 2005
- American Congress of Rehabilitation Medicine, 1986 - present
- American Headache Society, 1993 - present
- American Medical Association, 1985 - present
- American Neuropsychiatric Association, 2000 - present.
- American Society of Neurorehabilitation, 1992 - present
- Association of American Physicians and Surgeons, 1994 - present
- Brain Injury Special Interest Group, American Academy of Physical Medicine Rehabilitation, June 1988 - present
- International Brain Injury Association, April 1993 - present.
- International Association for the Study of Traumatic Brain Injury, 1987 – 2003.
- International Headache Society, 1997 - present
- International Rehabilitation Medicine Association, 1986 - present
- International Spinal Cord Society (formerly IMSOP), 1988 - present.
- Maimonides Society, Richmond Chapter, 1995 - present
- Mild Traumatic Brain Injury, Interdisciplinary Special Interest Group, American Congress of Rehabilitation Medicine, October 1989 -1992
- Mild Traumatic Brain Injury Task Force, National Head Injury Foundation, Nov. 1990 - present

- National Brain Injury Association, July 1986 - present
- Physical Medicine Research Foundation, October 1996 - present.
- Research and Scientific Affairs Committee, National Head Injury Foundation, October 1991 -present
- Richmond Academy of Medicine, October 1989 - present
- Task Force on Sexuality and Disability, American Congress of Rehabilitation Medicine, 1987 - present
- Virginia Brain Injury Association, 1986 - present
- Virginia Medical Society, 1986 - present
- Virginia Society of Physical Medicine and Rehabilitation, 1988 – present
- World Federation of NeuroRehabilitation, 2000 – present.
- International Brain Injury Research Network, 2015 – present.

MEMBERSHIP IN COMMUNITY AND ALUMNI ORGANIZATIONS:

- Richmond Chapter - Virginia Head Injury Foundation - Medical Advisory Board, June 1989 – 1995.
- University of the Health Sciences, The Chicago Medical School, Alumni Association, 1985 - present

PROFESSIONAL ACTIVITIES:

Medical Directorships:

- Co-Director, Brain Injury Rehabilitation Services, Department of Rehabilitation Medicine, Medical College of Virginia, July 1988 - July 1989
- Director, Brain Injury Rehabilitation Services, Department of Rehabilitation Medicine, Medical College of Virginia, July 1989 - May 1992
- Director, Neurologic Recovery Care Unit, Metropolitan Hospital.

- Richmond, Virginia. March 1991 - May 1992
- Medical Director, Community Rehabilitation Services of Richmond, May 1992 - October 1993.
 - Co-director, Richmond Rehabilitation Physicians, May 1992 - June 1995.
 - Executive Medical Director, National NeuroRehabilitation Consortium. January 1992 – 1997.
 - Medical Director, Sheltering Arms Hospital, Brain Injury Rehabilitation Programs, June 1992 - June 1996.
 - Medical Director, Transitional Rehabilitation Services Program, Sheltering Arms Hospital, 1993 – 1999.
 - Director, Concussion Care Center of Virginia, May 1992 - present.
 - Medical Director, Tree of Life Services, Inc. 1997 - present.
 - CEO, Tremorless, Inc. 2008 – present.

Journal Editorships:

- Issue editor: Neurologic Disability and Sexuality. *Journal of Sexuality and Disability*, Volume I, Number I. January 1991.
- Issue editor: Neuropharmacology. *NeuroRehabilitation: An Interdisciplinary Journal*, Volume I, Number I. January 1991.
- Issue Co-editor, Family Outcome and Intervention. *NeuroRehabilitation: An Interdisciplinary Journal*. 1(2):1991.
- Issue Co-editor, Traumatic Brain Injury. *NeuroRehabilitation: An Interdisciplinary Journal*. 1(3):1991.
- Issue Co-editor, Olfactory and Gustatory Dysfunction. *Journal of Head Trauma Rehabilitation*. 7(1):1992.
- Issue Co-editor, Behavioral Management. *NeuroRehabilitation: An Interdisciplinary Journal*. 3(2):1993.
- Issue Co-editor, Pediatrics. *NeuroRehabilitation: An Interdisciplinary Journal*. 3(3):1993.
- Issue Co-editor, Vocational Rehabilitation. *NeuroRehabilitation: An Interdisciplinary Journal*. 4(1):1994.
- Issue Editor, Model Systems of Care. *NeuroRehabilitation: An Interdisciplinary Journal*. (4)2:1994.
- Issue Co-editor, Clinical Research. *NeuroRehabilitation: An Interdisciplinary Journal*. 9(3):1997.
- Issue Editor, Post-traumatic headache. *Journal of Head Trauma Rehabilitation*. 14(1):1999.
- Issue Editor, Neuropathic Pain. *Neuro-Rehabilitation: An interdisciplinary Journal*. 14(1):2000.
- Issue Editor, Neuropathic Pain. *Neuro-Rehabilitation: An interdisciplinary Journal*. 14(2):2000.
- Issue co-editor (with Michael F. Martelli, Ph.D.): Controversies in Neuropsychology. *Brain Injury Source*. Fall 2000.
- Issue co-editor (with Michael F. Martelli, Ph.D.): Controversies in Neuropsychology. *NeuroRehabilitation*. 16(4), 2001.
- Issue co-editor (with Michael F. Martelli Ph.D.): Pain Management. *Journal of Head Trauma Rehabilitation*. 19(1): 2004.
- Issue co-editor (with Gian Luigi Gigli, M.D.): Life sustaining treatments in vegetative state: scientific advances and ethical dilemmas. *NeuroRehabilitation*. 19(4): 2004.
- Issue editor: Residential Design. *NeuroRehabilitation*. 2009.
- Issue guest editor. 13(1):2016. Post-traumatic tinnitus. *Brain Injury Professional*.

Advisory Boards/Board of Directors:

- Advisory Board Member, Rehabilitation Research and Training Center on Community Reentry, SUNY Buffalo. Barry Willer, Ph.D., Director, April 1991 - April 1993
- Advisory Board Member, Medical Advisory Board, JMA Foundation, January 1992 - 1994
- Advisory Board Member, Massachusetts Rehabilitation Commission, Statewide Head Injury Program. July 1992 – 1995.
- Advisory Board Member, Advisory Board, Defense and Veterans Head Injury Program (DVHIP). Department of Defense, United States of America. May 1993 - 2000.
- Advisory Board Member. Virginia Head Injury Foundation. May 1990 – 2000.
- Advisory Board Member, Medical Advisory Board. VML Insurance programs. August 1995 - October 1997.
- Advisory Board Member. The Health Network Society. September 1995 -2001.
- National Panel Technical Experts, Oregon Health Sciences University, AHCPR Evidence Based Practice Center on Rehabilitation of Persons with TBI. Principal Investigator: Randall Chestnut, MD. 1997 – 1998.
- Executive and Scientific Advisory Committee. John Jane Brain Injury Center. 2000 - 2005.
- Medical Advisory Board, Department of Rehabilitation Services, Commonwealth of Virginia. September 2002 – present.
- Board of Advisors, Neurotrauma Registry. NEURE. 2003 – 2008.
- Council, WFNR, 2003 – present.
- International Advisory Board, 5th ISPRM Congress, 2008 – present.

- Member, Board of Directors, American Society of Neurorehabilitation, October 2008 – present.
- Professional Advisory Board, Institute for Neurobehavioral Studies, Graduate School of Psychology, Touro College. New York, NY. 2008 – present.
- Board of Directors, NYATBI. May 2009 – present.
- Intendu, scientific advisory board, 2014 - present

Committee Memberships:

- Member, Educational Subcommittee, Resident Steering Committee, American Academy of Physical Medicine and Rehabilitation. October 1987 - October 1988
- Member at Large, Marketing Committee, American Academy of Physical Medicine and Rehabilitation, November 1988 - May 1992.
- Member, Conference Planning Committee, The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, Virginia. 1990.
- Member, Advisory Committee, Long-term Rehabilitation Case Management Program, Department of Rehabilitative Services. October 1989 – present.
- Member, Medical Task Group Research Committee, Traumatic Brain Injury Model Systems, National Institute Disability and Rehabilitation Research. April 1990 - May 1992.
- Member, Public Affairs Committee, Association of Academic Physiatrists, July 1990 - May 1992.
- Member, Awards and Nominations Committee, National Head Injury Foundation, August 1990 - present.

- Member, Conference Planning Committee, The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, Virginia. 1991.
- Member, Interdisciplinary Special Interest Group on Brain Injury. American Congress of Rehabilitation Medicine. Oct. 1990 – present.
- Member, Steering Group, International Brain Injury Forum. Oxford, England. March 1993
- Member, Neuroscience Education Committee, School of Medicine, Medical College of Virginia, Virginia Commonwealth University. November 1990 - May 1992
- Member, Professional Education and Training Committee, National Head Injury Foundation. November 1990 - present
- Member, Program Evaluation Committee Member, Cancer Rehabilitation and Continuing Care Program, MCV Department of Rehabilitation Medicine. January 1990 - May 1992
- Member, Trauma Care Committee, MCV, April, 1991 - May 1992. Rehabilitation Services Steering Committee, Medical College of Virginia, Virginia Commonwealth University. April 1991 - May 1992
- Board of Directors, National Head Injury Foundation. August 1991 - 1996
- Member, Education Committee, Brain Injury Special Interest Group, American Academy of Physical Medicine and Rehabilitation. October 1991 - present
- Member, Planning Committee, JMA, 2nd Annual Research Conference, 1992.
- Member, National Head Injury Foundation, Committee on the Minimally Responsive Patient. January 1992 - present
- Member, Planning Committee, JMA, 1993 Annual Conference
- Member, Board of Governors, and Founding Member, International Brain Injury Association. April 1993 - present.
- Member, Planning Committee, IASTBI, 1994 Meeting.
- Member, Symposium Planning Committee, Colorado Brain Injury Symposium, 1994 Meeting.
- Member, Standards of Care Sub-Committee, Post-Traumatic Headache Committee, American Association for the Study of Headache. March 1994 - present.
- Member, Steering Group, First World Congress on Brain Injury. Copenhagen, Denmark. May 1995.
- Member, International Working Party on Management of Vegetative and Low Awareness States. London, England. February 28 - March 2, 1995.
- Member, Task Force on Mild Traumatic Brain Injury, National Head Injury Foundation, March 1995 - 2000.
- Member, Multidisciplinary Core Workgroup for Development of Practice Guidelines for Vegetative and Minimally Responsive States. September 1995 - present.
- Member, Ethics and Standards Committee, Brain Injury Association, November 1995 - present.
- Member, Outcomes Measurement and Management Subcommittee, Brain Injury ISIG, American Congress of Rehabilitation Medicine, January 1996 - present.
- Member, American Congress of Rehabilitation Medicine, Committee on Disorders of Consciousness, 1997 - present.
- Member, Core Workgroup on Mild Brain Injury, Brain Injury Association, May 1997 - present.
- Secretary, Brain Injury Special Interest Group, American Academy of Physical Medicine and Rehabilitation. November 1997 - 1998.

- Member, Practice Committee, American Society of Neurorehabilitation. July 1998-present.
 - Member, International Blue Ribbon Panel, Professor Bryan W. Jennett, MD Award, International Brain Injury Association.
 - Member, Planning Committee, MTBI 2000. November, 1998 – present.
 - Member, Program Subcommittee, 3rd World Congress, IBIA, June, 1997.
 - Member, International Scientific Planning Committee, 4th World Congress, IBIA. January 1999.
 - Member, Medical Malpractice Review Panel, Medical Society of Virginia. January 2000 – 2002.
 - Member, Board of Governors, IBIA, 1999 - present.
 - Vice-Chairperson, Brain Injury Special Interest Group, American Academy of Physical Medicine and Rehabilitation, 1998-2000.
 - Chairperson, Brain Injury Special Interest Group, American Academy of Physical Medicine and Rehabilitation, 2000-2003.
 - Member, International Scientific Planning Committee, 5th World Congress on Brain Injury, IBIA. June 2001.
 - Symposium Awards Committee, Brain Injury Association of America. 2002.
 - Member, Board of Directors, International Brain Injury Association. May 2003 – present.
 - Member, Board of Governors, International Brain Injury Association. May 2003 – present.
 - Member, International Scientific Planning Committee, 6th World Congress on Brain Injury, IBIA. January 2004.
 - Member, International Scientific Advisory Panel, Third World Congress on Neurorehabilitation. June, 2004.
 - Scientific Review Panel, 4th World Congress of NeuroRehabilitation. March 2005.
 - Member, Virginia Brain Injury Council, 2005 – 2007.
 - Member, Neurobehavioral Committee, Virginia Brain Injury Council, 2005 – 2008.
 - Healthcare Professional liaison, BIAV fundraising committee. 2006 – present.
 - Steering committee member, Maimonides Society of Richmond, Virginia. 2007 - present.
 - Scientific Committee, 7th Mediterranean Congress of Physical and Rehabilitation Medicine. 2007-2008
 - Steering Committee, Post-traumatic Headache, Special Interest Group, American Headache Society, 2008 - present.
 - International Advisory Committee, 8th Mediterranean PRM Congress. Limassol, Cyprus. 2010.
 - Paroxysmal Sympathetic Hyperactivity (PSH) International Working Group, 8/10 to present.
 - Co-chairperson, Research Committee, Sheltering Arms Hospital, September 2012 – current.
 - Scientific planning committee, 12th annual conference on brain injury. NABIS. San Antonio, Texas. 2015.
 - Scientific planning committee, 13th annual conference on brain injury. NABIS. Fampa, Florida. 2016.
 - Scientific planning committee, IBIA. New Orleans, Louisiana, USA. 2017.
 - Scientific planning committee, IPBIS, Rome, Italy. 2017.
- Chairperson Positions:**
- Chairperson (interim), Task Force on Sexuality and Disability, American Congress of Rehabilitation Medicine, October 1987 - October 1988
 - Chairperson, Task Force on Sexuality and Disability, American

- Congress of Rehabilitation Medicine, October 1988 - Jan. 1993
- Chairperson, International Advisory Board, Conference on Sexual Aspects of Chronic Illness or Disability. Tel Aviv, Israel; March 1992
 - Chairperson, Nomenclature Subcommittee, Special Interest Group on Brain Injury, American Academy of Physical Medicine and Rehabilitation. Oct. 1990 - present
 - Chairman, Research Committee, National Head Injury Foundation, October 1991 - May 1992
 - Chairman and invited participant. Outcome Measures Section. Workshop on "Outcome Measures in Head Injury Clinical Trials". NINDS, NIH Workshop. Houston, TX. 10/7/91 -10/9/91
 - Chairman, Medical Issues Committee, National Head Injury Foundation, December 1991 – 2000.
 - Co-Chair, Scientific Advisory Board, National Head Injury Foundation. December 1991 - May 1992.
 - Chairperson, Scientific and Research Advisory Committee. National Head Injury Foundation. May 1992 – 2001.
 - Panel Chairperson, International Brain Injury Forum. Oxford, England. March 1993.
 - Co-chairperson, Planning Committee, 1993 NHIF Annual Symposium.
 - Chairperson, Planning Committee, 1994 NHIF Annual Symposium.
 - Chairperson, Issues in acute medical data collection subcommittee, National TBI Information System, July 1996.
 - Chairperson, Irving I. and Felicia F. Rubin Family Brain Injury Research Fund on Cognitive Remediation, Brain Injury Association. December 1996 - 2000.
 - Chairperson, International Scientific Affairs and Research Committee, International Brain Injury Association. May 1997 - 2014.
 - Chairperson, Trigon Task Force, Virginia Society of Physical Medicine and Rehabilitation, 1998 - 2000.
 - Chairperson, International Brain Injury Association, May 2005 – 2014.
 - Vice-Chairperson, International Brain Injury Association. March 2014 – present..
- Course Directorships:**
- Course Director, Symposium Session: "Update on Sexuality." AAPM&R/ACRM Meeting, Seattle, Washington; October 1988
 - Coordinator/Moderator of Resident Roundtable Session: AAPM&R/ACRM Meeting; Seattle, Washington; November 1988. Speakers: Richard Materson, M.D., Martin Grabois, M.D., and G. Thomas Morgan, M.D.
 - Course Director, Symposium Session: "Sexuality Issues in Neurologic Disability". AAPM&R/ACRM Meeting; San Antonio, Texas; November 1989
 - Course Director, Geriatric Sexuality Issues, 1991 ACRM Annual Meeting, Washington, D.C.
 - Course Co-Director, The Challenging TBI Patient: Integrating Cognitive-Behavioral and Pharmacologic Treatment Strategies. 1991 ACRM Annual Meeting, Washington, D.C.
 - Course Director, Sensory Disorders In TBI: A State of the Art Review. 1992 AAPM&R Annual Meeting, San Francisco, CA.
 - Course Co-Director, Cognitive-Behavioral Issues After Mild TBI. 1992 ACRM Annual Meeting, San Francisco, CA.
 - Course Director, Electrophysiologic Assessment in Mild TBI. 1992 NHIF Annual Meeting. Boston, MA.

- Course Director, Controversial Neuromedical Issues in TBI Rehabilitation. 1992 NHIF Annual Meeting. Boston, MA.
- Course Director, Hypoxic-ischemic Brain Injury: Neuromedical and Neurorehabilitative Perspectives. 1992 NHIF Annual Meeting. Boston, MA.
- Course Director, Advances in Neurodiagnostics in TBI. 1993 AAPM&R Annual Meeting. Miami, FLA.
- Course Director, Differentiating Organic from Non-organic Deficits following Mild TBI. 1993 NHIF Annual Meeting. Orlando, FLA.
- Course Director, Evaluation and Treatment of Mild Traumatic Brain Injury - an Interactive Forum. 1995 AAPM&R 57th Annual Assembly. Orlando, Florida.
- Course Co-director, Post-traumatic headache. 1998 AAPM&R 60th Annual Assembly. Seattle, Washington.
- Course director: Medicolegal issues for clinicians: Introduction to medicolegal issues in ABI. Pre-symposium session. Brain Injury Association Meeting. 19th Annual Symposium. Chicago, Illinois. July 2000.
- Course director: Medicolegal issues for clinicians: independent exams – caveats and conundrums. Pre-symposium session. Brain Injury Association Meeting. 19th Annual Symposium. Chicago, Illinois. July 2000.
- Course director: Ethics in medicolegal evaluation of neurologic disability. AAPM&R 62nd annual conference. San Francisco, California. November 2, 2000.
- Course Director: Medicolegal assessment of response bias: neurologic and musculoskeletal caveats. AAPM&R 62nd annual conference. San Francisco, California. November 4, 2000.
- Course Director: Transitional rehabilitation: past, present and future. Presenters: Zasler, N.D., Evans, R., Voogt, R.. Brain Injury Association of America. Annual Meeting. Minneapolis, Minnesota. July 27, 2002.
- Course Director: Assessment of post-traumatic cervicocephalic pain. AAPM&R Annual Assembly. Presenters: Zasler, N.D., Walker, W. Chicago, Illinois. October 8, 2003.
- Course Director: Assessment of non-organicity in acquired brain injury: neuropsychological and neuromedical perspectives. Zasler ND, Iverson GL: ACRM/ASNR Joint Educational Conference. October 9, 2009.
- Course Director: Anxiety spectrum disorders after traumatic brain injury. Zasler, ND, Jaffee M. American Academy of Physical Medicine and Rehabilitation. Austin, Texas. October 23, 2009.
- Course Director: Pain assessment and management in disorders of consciousness. Zasler, N. American Academy of Physical Medicine and Rehabilitation. Austin, Texas. October 25, 2009.
- Course Director: Recent advances in TBI rehabilitation. National Neurotrauma Symposium. Hollywood, Florida. July 11, 2011.
- Course Director: Anti-epileptic drugs in TBI Neurorehabilitation: caveats on epilepsy, pain and neurobehavioral disorder management. 2011 AAPM&R Annual Assembly. Orlando, Florida. November 19, 2011.
- Course Director: Sensory Disorder after Traumatic Brain Injury. 2012 AAPM&R Annual Assembly. Atlanta, Georgia. November 18, 2012.
- Course Director: Fact or Fiction? Conversion, factitious disorders, and malingering: Separating the wheat

- from the chaff. 75th Annual Assembly of the AAPM&R. National Harbor, Maryland. October 3, 2013.
- Course Director: In-office and bedside cognitive assessment methodologies for PCD: A review of currently available methods. 75th Annual Assembly of the AAPM&R. National Harbor, Maryland. October 5, 2013.
 - Course director: Post-traumatic cephalalgia. Pre-congress session. IBIA. 10th World Congress. San Francisco, California, March 19, 2014.
 - Course director: Zasler, ND and Mann N: Fact of fiction: Conversion, factitious disorders and malingering – separating the wheat from the chaff. 8th World Congress for NeuroRehabilitation. April 8, 2014.
 - Course director: Zasler, ND and Sautter S: In office and bedside cognitive assessment methodologies in post-concussive neuro-rehabilitation: a review of currently available methods. 8th World Congress for NeuroRehabilitation. April 8, 2014.
 - Course director: Zasler, ND and Sautter S: Developing a neurorehabilitation forensic consultant practice: Medical, ethical, legal and business tips. 8th World Congress for NeuroRehabilitation. April 8, 2014.
 - Course director: Zasler, ND. Symptoms validity assessment: Clinical and forensic caveats. Pre-Congress workshop. 11th World Congress on Brain Injury. The international brain injury Association. The Hague, Netherlands. March 2, 2016.
 - Course director: Zasler, ND: WFNR Symposium: Persistent post-concussive symptoms. What clinicians and researchers should know. 11th World Congress on Brain Injury. The international brain injury Association. The Hague, Netherlands. March 2, 2016.
 - Course director: Zasler ND. Pre-conference workshop. Post-traumatic headache: the history and physical examination. NABIS. 13th Annual Meeting. Tampa, Florida. March 6, 2016.
 - Course director: Zasler ND. Post-traumatic epilepsy: caveats, controversies and current concepts. AAPM&R Annual Meeting. New Orleans, Louisiana. October 20, 2016.
 - Course director: Zasler ND. Post-traumatic headache and neuromodulation. Caveats and current approaches. Emerging neuromodulation techniques for the treatment of post-traumatic headaches. ACRM Annual Meeting. Chicago, Illinois. November 2, 2016.
 - Course Director: Zasler ND. Medical issues and driving after TBI. Driving after TBI: Curves, Swerves and Nerves. ACRM Annual Meeting. Chicago, Illinois. November 2, 2016. ACRM Annual Meeting. Chicago, Illinois. November 2, 2016.
 - Course Director: Zasler ND. Post-concussive symptoms: phacts, phallacies and prophylaxis. Persistent post-concussive symptom: causes, cures and controversies. ACRM Annual Meeting. Chicago, Illinois. November 2, 2016.

Peer Review - Scientific Programs, Grants and Books:

- Peer Reviewer, Peer Review Task Force, National Head Injury Foundation/Brain Injury Association. April 1990 - 1999
- Peer Reviewer, ACRM/AAPM&R Scientific Program Committee. August 1990 - 1998
- Grant reviewer, National Institute on Disability and Rehabilitation Research. July 1991 – 2000.
- Grant reviewer, Rehabilitation Services Administration, May 1992 – 2001.
- Grant reviewer, Center for Disease Control, July 1992 – 2000.
- Peer reviewer, American Society of Neurorehabilitation, Educational Program Committee, 1994 – 1997.
- Peer reviewer, Aspen Publishers, "Sexual function in people with disability and chronic illness". 1997.
- Grant reviewer. Colorado TBI Trust Fund Research Grants Program. 2006.
- Grant reviewer. Victorian Neurotrauma Initiative. 2007
- Grant reviewer. Pennsylvania Department of Health. 2010.

Miscellaneous Activities:

- Faculty Participant in the MCV Governor's School Program. August 1989
- Preceptor, Primary Healthcare of Families Nursing Course, Department of Nursing, Medical College of Virginia, September 1989 - May 1992
- Instructor, Clinical Sciences Course, School of Physical Therapy, Medical College of Virginia. January 1990 - May 1992
- Leader, Medicine Candlelight Roundtable. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on

Severe TBI. Williamsburg, VA. June 1991

- Leader, Physiatriic Breakfast Consultation. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1991
- Research advisor: "Feeding Problems in Persons with Traumatic Brain Injury". Department of Occupational Therapy, Medical College of Virginia, November 1991.
- Leader, Medicine Candlelight Roundtable. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1992
- Leader, Physiatriic Breakfast Consultation. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1992
- Manuscript reviewer, Archives of Physical Medicine and Rehabilitation, 1992 - present.
- Board of Governors, International Brain Injury Association. June 1993 - present.
- Liaison, American Society of NeuroRehabilitation to the National Head Injury Foundation, August 1993 - present.
- Panel member, Consensus Panel on Dissemination of PVS Guidelines. Upjohn Pharmaceuticals and National Head Injury Foundation. Chicago, IL. December 1994.
- Panel Member, International Working Party on PVS - Consensus Conference. London, England. March 1995.
- Panel member, Multidisciplinary Consensus Panel on PVS. Aspen Neurobehavioral Institute. Aspen, CO. April 1995.
- Panel member, Mild TBI Consensus Panel. Brain Injury Association. 1997 – present.

- Panel member, Ad Hoc Committee, Brain Injury Association, National Bioethics Advisory Commission regarding informed consent. November, 1998 – 2001.
- Vice-president, Southern Society of Physical Medicine and Rehabilitation, May 2002 – December 2003.
- President, Southern Society of Physical Medicine and Rehabilitation. January 2004 – December 2004.
- Liaison between BISIG of AAPM&R and IBIA, 2005 – present.
- Invited Participant: Conemaugh International Symposium - Toward Successful Recovery from TBI: Improving Outcomes. Johnstown, Pennsylvania. USA. October 13-16, 2005.
- Invited Participant: Working Meeting on Impairments of Consciousness – Creating a Consensus. Mohonk Mountain House. New Paltz, New York. USA. April 21 – 23, 2006.
- UVA Brain Injury and Sports Concussion Institute Professional Advisory Board, July 2010
- Head Injury Resource Center, NHIF/BIA, Jan. 1993 - 2000.
- Advanced Rehab, May 1993 - June 1995.
- ConPharma Home Health Care, July 1993 - Dec. 1994.
- Paradigm Health Care Corporation, July 1993 - July 1997.
- The Center for Clinical Neurosciences, March 1995 – 2000.
- Blue Cross Blue Shield – physician reviewer February 1999 – present.
- NorthEast Center for Special Care, Lake Katrine, New York, 2007 – 2009.
- Intendu, 2015 – present.

Editorial and Journal Review:

Consultant Positions:

- Editorial Board Member, Journal of Sexuality and Disability. September 1989 - present
- Contributing Editor, Head Injury Update. September 1989 - 2002
- Co-Editor, NeuroRehabilitation: An Interdisciplinary Journal. December 1989 - present
- Manuscript reviewer, Archives of Physical Medicine and Rehabilitation. August 1990 - present.
- Editorial Board Member, Journal of Head Trauma Rehabilitation, February 1991 - 2010
- Editorial Board Member, Brain Injury, April 1991 - 2002
- Editorial Board, NeuroLaw Newsletter, March 1992 - 2002
- Editorial Board, Assessment in Rehabilitation and Exceptionality, January 1993 - December 1995
- Editorial Board, International Health Network Society Newsletter, May 1996 - 2001.
- Editorial Board, Brain Injury Survivor and Caregiver Education Manual. Aspen Publications. 1997.
- Editorial Board, Brain Injury Source. October 1997 - 2002.
- Chief Editor, The Neurotrauma Letter. June 1998 – present.
- Camp Bruce McCoy, Virginia Head Injury Foundation, May 1990 - Present.
- HIGH Hopes, Inc., Sept. 1990 - April 1991.
- Head Injury Patient Assessment Task Force, State of New York, Department of Health, September 1990 - 1998.
- Lobsenz-Stevens, Inc. May 1992 - June 1995.
- Heather Hill, Inc., Chardon, Ohio. May 1992 - July 1993.
- Hollins Head Injury Program, Roanoke, VA. August 1992 - 1994.
- NeuroRecovery Center, Metropolitan Hospital, August 1992 - August 1993.

- Editorial Board, Hippocrates Lantern, November 1999 – July 2000.
- Brain Injury, Co-Editor, 2002 - present
- Editorial Board, Journal of Controversial Medical Claims. August 2000 - 2001.
- Editorial Board, World Federation of Neurorehabilitation. April 2002 - 2007.
- Manuscript Reviewer, American Journal of Physical Medicine and Rehabilitation. September 2002 – present.
- Chief Editor, The Brain Injury Professional, 2004 – 2005.
- Editorial Board, Neuropsychiatric Disease and Treatment, November 2004 – present.
- Manuscript reviewer, Journal of Rehabilitation Research and Development, 2007 – present.
- Peer reviewer, CNS Spectrums, 2007.
- Honorary Editor, International Editorial Board, Chinese Journal of Rehabilitation Medicine, 2007 – present.
- Peer reviewer, Neurology, 2007 – present.
- Ad hoc reviewer, Sleep Medicine Reviews, 2009 – present.
- Editorial Board, Portuguese Society of Physical Medicine and Rehabilitation. 2009 - present.
- Ad hoc reviewer, Lancet Neurology, 2009 – present.
- Ad hoc reviewer, Human Brain Mapping, 2009 – present.
- Ad hoc reviewer, Annals of Internal Medicine, 2011 – present.
- Ad hoc reviewer, Journal of the International Neuropsychological Society, 2011 – present.
- Ad hoc reviewer, Brain Research, 2011 – present.
- Emeritus editorial board member, The Journal of Head Trauma Rehabilitation, 2012- present.
- Ad hoc reviewer, Annals of Internal Medicine, 2012 – present.
- Polish Journal of Rehabilitation Research, Council of Consultants, July 2012 – present.
- Ad hoc reviewer, Journal of Neurotrauma. 2012 – present.
- Ad hoc reviewer, Brain Imaging and Behavior, 2013 – present
- Ad hoc reviewer, International Journal of Physical Medicine & Rehabilitation, 2014 - present.
- Ad hoc reviewer, Restorative Neurology and Neuroscience, 2014 – 2015.
- Ad hoc reviewer, Cognitive and Behavioral Neurology, 2015 – present.
- Associate Editor, Restorative Neurology and Neuroscience, 2015.
- Ad hoc reviewer, Brain Research, 2015 - present

INVITED LECTURES/ PRESENTATIONS:

- Sexuality and Disability. Fifth Annual Conference of the Australian College of Clinical Psychologists; Canberra, Australia; May 1988
- Medical and Sexuality Issues After Spinal Cord Injury. Virginia Spinal Cord Injury System Workshop; Department of Rehabilitative Services; Commonwealth of Virginia Richmond; Virginia; June 1988
- Impotence Management Options in Spinal Cord Injury: The Pros and Cons. Fortieth Anniversary Convention of the National Spinal Cord Injury Association; Denver, Colorado; August 1988
- Informational Hearing on the Need to Regulate Occupational Therapists. Commonwealth of Virginia, Department of Health Regulatory Boards. Physiatric Representative; Richmond, Virginia; August 1988
- Acute Care Rehabilitation and Outpatient Needs of Traumatic Brain Injury Survivors. Presentation to Joint Subcommittee of the Virginia General Assembly on the Needs of Head and Spinal Injured Citizens and Needs for Research. Richmond, Virginia; August 1988
- Sexuality and Disability. Virginia League for Planned Parenthood; Richmond, Virginia; October 1988
- Sexuality Issues After Traumatic Brain Injury: Physiatric Perspectives. Workshop. Head Injury Awareness Day Conference; Long Island Region and New York City Chapter of the New York State Head Injury Association; New York, New York; October 1988
- The Physiatrist's Role in Vocational Rehabilitation of the Traumatically Brain Injured Person. At "Job Coaching and Supported Employment for the Traumatically Brain Injured" Cornell University; October 1988
- Neuropsychopharmacology Workshop with Gregory O'Shanick, M.D. Annual Meeting National Head Injury Foundation, Atlanta, Georgia; November 1988
- Impotence Management Alternatives: A State of the Art Review. "Update on Sexuality" Symposium at AAPM&R/ACRM Annual Meeting; Seattle, Washington; November 1988
- Sexual Dysfunction after Traumatic Brain Injury: Practical and Theoretical Perspectives. First Biennial Meeting. International Association for the Study of Traumatic Brain Injury. Santa Clara, CA; April 1989
- Medical and Psychological Problems Associated with the Rehabilitation of Persons Recovering from Traumatic Brain Injury. Virginia Research and Training Center Annual Supported Employment Symposium. Virginia Beach, Virginia; April 1989
- Cerebrospinal Fluid Neurotransmitter Levels In Chronic Traumatic Brain Injury: Implications or Neuropharmacologic Management, Head Injury Conference, Department of Neurosurgery, Medical College of Virginia; June 1989
- Sexuality Issues after Traumatic Brain Injury. Plenary Session. The Post-graduate Course on Rehabilitation of the Brain Injured Adult and Child. Williamsburg, VA; June 1989
- Sexuality Issues after Traumatic Brain Injury. Workshop with David Strauss, Ph.D. The Post-graduate Course on Rehabilitation of the Brain Injured Adult and Child. Williamsburg, VA; June 1989
- Neuropsychopharmacologic Interventions in Traumatic Brain Injury. Workshop with Gregory O'Shanick, M.D. The Post-graduate

- Course on Rehabilitation of the Brain Injured Adult and Child.
Williamsburg, VA; June 1989
- Coma Management: The Role of Stimulation Moderator. The Post-graduate Course on Rehabilitation of the Brain Injured Adult and Child. Williamsburg, VA; June 1989
 - Current Medical Issues in Traumatic Brain Injury Rehabilitation. "Meeting the Challenge: An Overview of Traumatic Brain Injury Rehabilitation". Tri-State Regional Rehabilitation Hospital, Evansville, Indiana; June 30, 1989
 - Research Developments in Brain Injury Rehabilitation. Department of Rehabilitation Medicine, Medical College of Virginia; September 5, 1989
 - Recent Advances in Medical Care of TBI. Cognitive Rehabilitation - Community Reintegration through Scientifically Based Practice. Clearwater Beach, Florida; September 14, 1989
 - Sexuality Issues in TBI: Theoretical and Practical Perspectives. Cognitive Rehabilitation - Community Reintegration through Scientifically Based Practice. Clearwater Beach, Florida; September 15, 1989
 - Minor Traumatic Brain Injury. St. Paul Companies Rehabilitation Specialist Seminar. St. Paul, Mn.; September 25, 1989
 - Sexuality Issues in SCI - A Physiatrists Perspective. 4th Annual Spinal Cord Injury Conference, Virginia Spinal Cord Injury System, Virginia Beach, VA; September 30, 1989
 - Minimal Traumatic Brain Injury. Didactic Conference, Department of Neurosurgery, Medical College of Virginia, Richmond, VA; October 11, 1989
 - Early Recovery Management Programs for Brain Injured Persons. Presentation to Joint Sub-committee of Virginia General Assembly on the Needs of Head and Spinal Injured Citizens and Needs for Research, Richmond, VA; October 12, 1989
 - Sexual Dysfunction in TBI: Pathophysiology and Management. Symposium on "Advanced Principles in Brain Trauma Rehabilitation". AAPM&R/ACRM Annual Meeting, San Antonio, TX; November 1989
 - Physiatrie Assessment and Management of Sexual Dysfunction in Neurologic Disability. Symposium on "Neurologic Disability and Sexuality". AAPM&R/ACRM Annual Meeting, San Antonio, TX; November 1989
 - Coma Outcome after Severe TBI. PLEXUS Symposium on Coma and the Vegetative State. Austin, TX; December 1989
 - Neuropharmacologic Issues in Brain Injury Rehabilitation, Grand Rounds Presentation at TIRR (The Institute for Rehabilitation Research), Houston, TX; December 1989
 - Sexuality Issues after Traumatic Brain Injury. Symposium with David Strauss, Ph.D. Annual Meeting, National Head Injury Foundation, Chicago, IL; December 1989
 - Pharmacologic Issues in Brain Injury Management. Pre-Symposium Course with Gregory O'Shanick, M.D. Annual Meeting, National Head Injury Foundation; December 1989
 - Advanced Neuropsychopharmacology. Workshop with Gregory O'Shanick, M.D. Annual Meeting, National Head Injury Foundation, Chicago, IL; December 1989
 - Efficacy of an Oral Hygiene Program after Traumatic Brain Injury. Poster Presentation with Amy Jarman, B.S., Richard Friedman, DMD, MPH, and Ann Dinius, M.S. Annual Meeting, National Head Injury Foundation, Chicago, IL; December 1989

- Cerebrospinal Fluid Neurotransmitter Levels in Traumatic Brain Injury: Clinical and Theoretical Perspectives. Annual Meeting, National Head Injury Foundation, Chicago, IL; December 1989
- Outcome of Coma/Vegetative State after Severe TBI: Preliminary Data from the Coma Project: RRTC on Severe TBI. Annual Meeting, National Head Injury Foundation. Chicago, IL; December 1989
- Minimal Traumatic Brain Injury: Theoretical and Clinical Perspectives. Grand Rounds Presentation. Department of Rehabilitation Medicine, Medical College of Virginia; January 1990
- Basic Neuropharmacologic Principles in Brain Injury Rehabilitation. Grand Rounds Presentation. Department of Rehabilitation Medicine, Medical College of Virginia; January 1990
- Management of Myostatic Contractures. Department of Rehabilitation Medicine didactic lecture series. Medical College of Virginia; January 1990
- Neuromedical and Neuropsychiatric Issues Following TBI. TBI Psychiatric and Behavioral Resource Center Seminar (Department of Psychiatry, Medical College of Virginia), Central State Hospital, Petersburg, Virginia, January 1990
- Neuropharmacologic Issues in Acute Traumatic Brain Injury Rehabilitation. Neuroscience Intensive Care Unit Didactic Series/RRTC on Severe TBI. Medical College of Virginia. January 1990
- Traumatic Brain Injury Rehabilitation: An Overview. TBI Model Systems Grant. Rotary Club of Hanover, Virginia. February 1990
- Ethical Issues in TBI Research. RRTC on Severe TBI Conference on "How to do Research in Traumatic Brain Injury Rehabilitation". Richmond, Virginia. February 1990
- Neurological and Functional Recovery following Prolonged Traumatically Induced Coma. Department of Neurosurgery, Head Injury Program Project. RRTC on Severe TBI. Richmond, Virginia. March 1990
- Neuropharmacological Approaches in TBI Rehabilitation. Tennessee Head Injury Association Conference. Nashville, Tennessee. March 1990
- Advances in Neuromedical and Rehabilitative Care: What Every Family Should Know. Family Day Conference. RRTC on Severe Traumatic Brain Injury. Richmond, Virginia. March 1990
- The Interdisciplinary Team Approach and the Role of the Physiatrist in TBI Rehabilitation. TBI Clinical Consultation. TBI Model Systems Grant. Children's Hospital, Richmond, Virginia. March 1990
- Neuromedical Aspects of Sexuality. The Practical Issues Series: Workshops in Traumatic Brain Injury Rehabilitation, RRTC on Severe TBI. Williamsburg, Virginia. April 1990
- Practical Considerations in Managing Sexual Dysfunction Following TBI. The Practical Issues Series: Workshops in Traumatic Brain Injury Rehabilitation, RRTC on Severe TBI. Williamsburg, Virginia. April 1990
- Sexuality Issues in Spinal Cord Injury: What Every Patient Should Know. Spinal Cord Injury Awareness Week. Medical College of Virginia, Richmond, Virginia. April 1990
- Outcome From Prolonged Traumatic Unconsciousness: Neurological and Rehabilitative Perspectives. Presentation for RRTC on Severe TBI, Medical College of Virginia, Richmond, Virginia. April 1990
- Model Systems of Care in Traumatic Brain Injury. The Postgraduate

- Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1990
- What is a Model System of Care? Panel Presentation. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1990
 - Neuromedical Management of Mild Head Injury. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1990
 - Coma Stimulation: A Medical and Ethical Overview. Panel Discussion. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1990
 - What Every Patient and Family Should Know About Sexuality After TBI. (Co-presented with Jeffrey Kreutzer, Ph.D.) The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1990
 - Neuropsychopharmacological Management. Advanced Workshop with Gregory O'Shanick, M.D., and Christina Dalmady-Israel, Pharm.D. The Postgraduate Course on Rehabilitation of the Brain Injured Adult and Child. RRTC on Severe TBI. Williamsburg, VA. June 1990
 - The Interdisciplinary Team Approach to the Rehabilitation of the Person with Traumatic Brain Injury: The Importance of a Continuum of Care. TBI Clinical Consultation. TBI Model Systems Grant. Eastern State Hospital, Williamsburg, VA. June 11, 1990
 - Sexuality Issues in Spinal Cord Injury. "In Search of Balance" Conference. Northeast Rehabilitation Hospital. Portsmouth, New Hampshire. June 15, 1990
 - Advances in Neuropharmacologic Management in Traumatic Brain Injury. Traumatic Brain Injury Rehabilitation in the 90's: Future Directions in Medical and Rehabilitation Management. Rehabilitation Institute, Wayne State University. Detroit, Michigan. June 29, 1990
 - Functional Evaluation: Impairment vs. Disability. Workshops in Traumatic Brain Injury Rehabilitation. RRTC on Severe TBI. Virginia Beach, VA. July 13, 1990
 - Detective Work in Litigation: Records Review and Reporting with Jeffrey Kreutzer, Ph.D. Workshops in Traumatic Brain Injury Rehabilitation. RRTC on Severe TBI. Virginia Beach, Va. July 13, 1990
 - Neuromedical Aspects of Minor TBI: Diagnosis and Treatment. Workshops in Traumatic Brain Injury Rehabilitation. RRTC on Severe TBI. Virginia Beach, Va. July 14, 1990
 - Model Systems of Care for Minor TBI. Workshops in Traumatic Brain Injury Rehabilitation. RRTC on Severe TBI. Virginia Beach, Va. July 15, 1990
 - Introduction to TBI Rehabilitation. Inservice to Neurosurgical Nursing Service, Medical College of Virginia. RRTC on Severe TBI. August 20, 1990
 - Coma, Vegetative State, and Recovery From Prolonged Post-traumatic Unconsciousness: An Overview. Grand Rounds Presentation. RRTC on Severe TBI. Department of Rehabilitation Medicine, Medical College of Virginia. August 21, 1990
 - Coma and Recovery From the Vegetative State: Physiatric Issues and Perspectives. Neuroscience Intensive Care Unit Staff Didactics.

- RRTC on Severe TBI. September 10, 1990
- Coma and Recovery From the Vegetative State: Physiatric Issues and Perspectives. Physical Therapy Department Didactics. RRTC on Severe TBI. September 12, 1990
 - Central Nervous System Functional Anatomy and Neurobehavioral Syndromes. Department of Physical Medicine and Rehabilitation Resident Didactic Session. September 14, 1990
 - Practical Approaches to Sexuality Following TBI. Cognitive Rehabilitation and Community Reintegration Conference. Richmond, VA. September 14, 1990
 - Pharmacologic Approaches to Cognitive and Behavioral Dysfunction After Traumatic Brain Injury. Cognitive Rehabilitation and Community Reintegration Conference. Richmond, VA. September 16, 1990
 - Neuromedical Issues in Minor Traumatic Brain Injury. Symposium on "Psychological, Neuromedical, and Rehabilitation Approaches to Minor Traumatic Brain Injury". American Congress of Rehabilitation Medicine, Annual Meeting. Phoenix, Arizona. October 22, 1990
 - Coma and Recovery from Prolonged Post-traumatic Unconsciousness: Rehabilitative and Neuromedical Aspects. Rehabilitation Institute of Michigan. November 5, 1990
 - Social Isolation: Where Have All the Friendships Gone? (with M.V. Morton). National Head Injury Foundation, Annual Meeting. New Orleans, LA. Nov. 1990
 - Advanced Neuropsychopharmacology Workshop: Anticonvulsants: Post-traumatic Epilepsy, Neurobehavioral Aspects, and Clinical Pharmacology (with Gregory O'Shanick M.D., and Christina Israel, Pharm.D.). National Head Injury Foundation, Annual Meeting. New Orleans, LA. Nov. 1990
 - Pharmacologic Strategies for Acute Management of Traumatic Brain Injury: Laboratory, Theoretical and Clinical Models. (with Ronald Hayes, Ph.D.). National Head Injury Foundation, Annual Meeting. New Orleans, LA. Nov. 1990
 - Neuropsychopharmacology Case Studies: Workshop Session. National Head Injury Foundation, Annual Meeting. New Orleans, LA. Nov. 1990
 - The Role of the Psychiatrist in Vocational Reentry. Workshop with Paul Wehman, Ed.D., and Jeffrey Kreutzer, Ph.D.. National Head Injury Foundation, Annual Meeting. New Orleans, LA. Nov. 1990
 - Integrating Research with Clinical Practice. Symposium with Alvin McClean, Ph.D. and Jeffrey Kreutzer, Ph.D. (moderated by Thomas Kay, Ph.D.). National Head Injury Foundation, Annual Meeting. New Orleans, LA. Nov. 1990
 - Neurologic Disability and Sexuality: An Overview. Holistic Perspectives on Sexuality and Disability: A One Day Symposium. Richmond, VA. November 30, 1990
 - Sexuality Issues After Traumatic Brain Injury. Holistic Perspectives on Sexuality and Disability: A One Day Symposium. Richmond, VA. November 30, 1990
 - Functional Evaluation: Impairment Versus Disability. Grand Rounds Presentation. Department of Rehabilitation Medicine. Richmond, VA. December 4, 1990
 - Neurologic Disability and Sexuality: A Psychiatrist's Perspective. Rehabilitation Counseling Grand Rounds. Virginia Commonwealth University. Richmond, VA. December 4, 1990
